PLANTATION DRIVE REPORT WRITING

PLANTATION DRIVE

AUGUST, 2022

Palaash: The Eco Club decided to take a small step towards preserving and doing something for our nature by planting 75 plants. So it planned a 'plantation drive' in the month of August targeting to plant 75 trees. The drive was successfully conducted with the help of all the members of the club each planting 3 saplings. The club convenor Dr. Hari Krishna ma'am also supported this drive.

This drive of planting 75 trees was also dedicated to the 75 years of Independence Day adding more greenery to our tricolour flag. The drive concluded with words of appreciation by the club convenor and each member got a certificate of appreciation.

Program: Event on World Biofuel Day

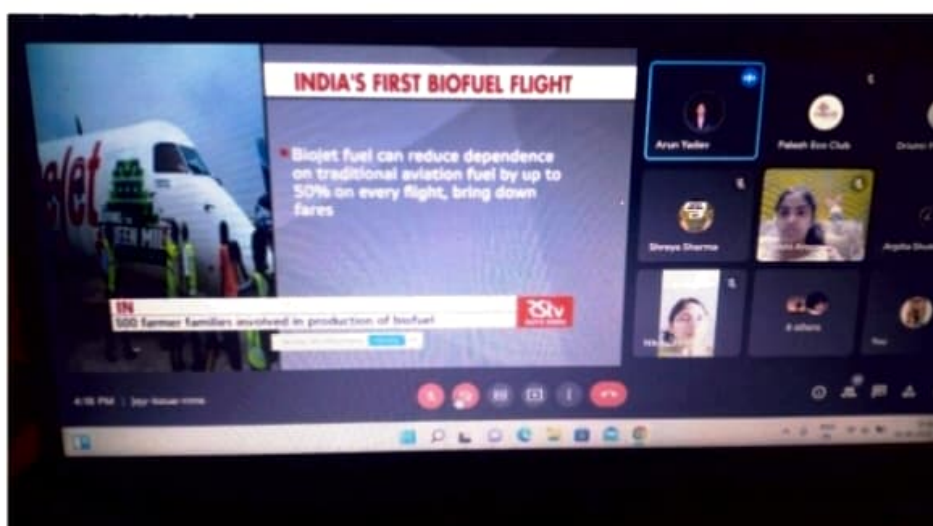

Activity Title: World Biofuel Day

Event on World Biofuel Day-2022

An event was organised by Palaash- The eco club of Bharati college on world biofuel day celebrated on 16Aug'2022. It was an informative event with the remarkable presence of convenors of Department of Environmental studies Rashmi ma'am and Arun sir. The event was organised in collaboration with Department of Environmental studies. Through this event, immense knowledge was spread regarding biofuel and the winners of poster and slogan writing competition held prior were also announced.

Biofuel is the fuel derived directly from the living matter or the biomass and it is a source of renewable energy Which means it can be naturally replenished in a definite timeframe. Wood,ethanol,biogas etc. are a few examples of Biofuel. The world biofuel day is celebrated every year on 10th August to make people aware about biofuel.

The winner of poster making was Mahima Aggrawal and slogan writing was won by Manali Mehta. The teachers showered their path enlightening words which made students more aware about biofuel. The enthusiasm of students was also remarkable. Overall, the event was very interactive and cognitive.

Activity Title: Cleanliness Drive

CLEANLINESS DRIVE REPORT WRITING

15 SEPTEMBER- 19SEPTEMBER ,2022

Palaash : The Eco Club of Bharati college , University of Delhi on the occasion of World Clean Up Day took the initiative of cleaning the nearby District park. The club collaborated with the Ex Mayor Narendra Chawla of South Delhi Municipal Corporation and CDF, Bharati and successfully conducted this drive. The Mayor provided us with the equipment for cleaning the area.

The cleaning drive started with a campus awareness activity on 15th of September. Each member of the club went to different classrooms making students aware about the world clean up day and asking them to volunteer for the same. On Friday, 16th of September, the club members along with the CDF volunteers and few student volunteers went to the District Park and started cleaning the park . It took them almost 3 hours to clean half of the park and the Municipality truck came to pick up the rag.

On Monday, 19th of September the club members again went to the park to clean the remaining garbage and put in their 3 hours and 30 minutes to clean the park. Narendra Chawla Sir acknowledged our efforts by being present on the second day also. The volunteers were encouraged and dedicated enough towards cleaning and preserving the mother nature and thus did not hesitate to pick up the dirtiest stuff and clean up the park.

The drive was a successful one with equal efforts of 30 members of the club along CDF volunteers .

EVENT SUMMARY REPORT

DaanUtsav Activity:Day 1-"Respecting the pillars of the campus"
Monday,3rd October,2022

Palaash,the Eco club of Bharati College,University of Delhi on the occasion of DaanUtsav took the initiative of spreading smiles on the faces of the pillars of our campus,i.e.,the non-teaching staff of our college.The activity was conducted at 11 in the morning with the aid of the members from the club.

The activity involved the distribution of gift hampers prepared by the members of the club as well as a message to the staff acknowledging their everyday efforts in making the campus a better place. Moreover, the activity also made them feel how equally important they are for the efficient functioning of the college.

Event Summary Report

Daan Utsav activity Day 2 - " Thinking of you "

Tuesday, 4th October, 2022

Palaash, the Eco club of Bharati college has been organising tremendous activities to upkeep its objective of spreading happiness and making the society a better place for all to live in. Keeping that in mind, on the occasion of Daan utsav, it had organized an activity where the members of the club had sent messages to their loved ones depicting their love for them.

The activity helped all in recognizing the importance of efforts put in by their well wishers for them. The members had curated personal texts to their loved ones and their well- wishers were overwhelmed on receiving such lovely messages. Some had sent texts to their parents, some to their teachers and some to their friends. The heartfelt responses were evident of the success the club achieved in fulfilling its aim.

Activity Title: Reaching the unreachable

EVENT SUMMARY REPORT

Daan Utsav Activity Day 3: "Reaching the Unreached"
Thursday, 6 October 2022

Palaash the Eco club of Bharati College, University of Delhi on the occasion of the Daan Utsav took the initiative of reaching the unreached by organizing a donation drive in Bharati College where the students donated their old books, stationary, food items, etc and these were finally given to the most needy ones i.e. the children living in the slum near Tihar jail Gate no.4. The activity was conducted at 3 pm in the afternoon in which most of the members of the club joined.

The activity involved conduction of the donation drive and consequently, visiting the slum where the donated items were distributed among the children in a step towards sharing our privileges with the underprivileged ones of the society. The innocent smiles of those tender children dwelling in slums certified how the aim of the activity of Reaching the Unreached was successfully fulfilled.

Today's experience of Daan Utsav proved how important it is for us to connect ourselves and understand the problems of the underprivileged ones directly in order to make our society a better place to live in.

EVENT SUMMARY REPORT

DaanUtsav Activity:Day 5-“Feeding the fauna”
Saturday,8th October,2022

Palaash,the Eco club of Bharati College,University of Delhi on the occasion of DaanUtsav conducted an animal feeding drive under which the volunteers were required to feed any stray animal/bird found near their residence. The aim of the activity was to create a feeling of love and compassion in the hearts of the students for these often-neglected animals.

The volunteers participated with great enthusiasm and,despite the adverse weather conditions in the city,were able to ensure the success of the event. Around 15+ participants actively took part in this activity feeding the animals found in their respective vicinities—from cows and dogs to squirrels and pigeons.

Department/Society: Palaash: The Eco Club

Program: Raising awareness on Air Pollution

Activity Title: Red Light On, Gaadi Off

RED LIGHT ON, GAADI OFF

16 November, 2022

Palaash, the Eco Club of Bharati College, University of Delhi in collaboration with Manthan-the Nukkad Natak Society performed a nukkad natak on the theme- " Red Light on, Gaadi Off". It was aimed at urging drivers to shut their ignition while waiting at traffic signals and to make people aware of Air Pollution. Palaash: the Eco Club and Manthan: the Nukkad Natak Society joined hands to depict a major issue of pollution that is caused by vehicles .

The theme "Red light on, Gaadi Off" brings light to the issue of irrelevant combustion engines kept on even on the red light. Students spread awareness amongst people regarding the same through an interactive performance. The event started at 12 noon in the Central Lawn of Bharati College. Manthan: The Nukkad Natak society performed an informative, energetic and a very mind stimulating performance while the whole play was recorded by Palaash members with the simple motive to raise awareness. It was well depicted by their wonderful performance and the actions and emotions of everyone. Both the clubs were highly appreciated by Dainik Jagran and the play was featured in their daily newspaper on November 17, 2022.

The efforts that were put in by both the team members was wholly appreciated and loved by everyone and the event came out as a great success.

Program : Carpooling Event

Report:

Carpooling Event at Palaash, the Eco Club of Bharati College, University of Delhi.

On November 21, 2022, a carpooling event was held at Bharati College, which aimed to promote the practice of carpooling among professors, students and non teaching staff. The event was organized by the college's eco club (Palaash), which is dedicated to promoting eco-friendly initiatives in the college. The event was a success with the effort of all Palaash members.

The objective of the event was to encourage people to share rides to work, which could reduce the number of vehicles on the road and decrease traffic congestion. Carpooling also has environmental benefits, as it reduces carbon emissions, traffic congestion on the roads, the need for parking spaces, and air pollution. The event aimed to raise awareness about the benefits of carpooling and encourage people to make it a part of their daily routine.

The event began with a brief explanation by the members, which described the benefits of carpooling and provided tips on how to carpool. Professors and students were asked to approach their family members to share the ride.

The event was a success, and it helped raise awareness about the benefits of carpooling among students and professors. The event also encouraged them to make carpooling a part of their daily routine, which will have a positive impact on the environment and reduce traffic congestion. The success of the event highlights the importance of promoting eco-friendly initiatives in the workplace and encourages others to follow carpooling.

Delhi

Date of Activity : 17 January 2023

Department/ Society : Palaash , The Eco
Club

Program : The 3 Rs

EVENT SUMMARY REPORT

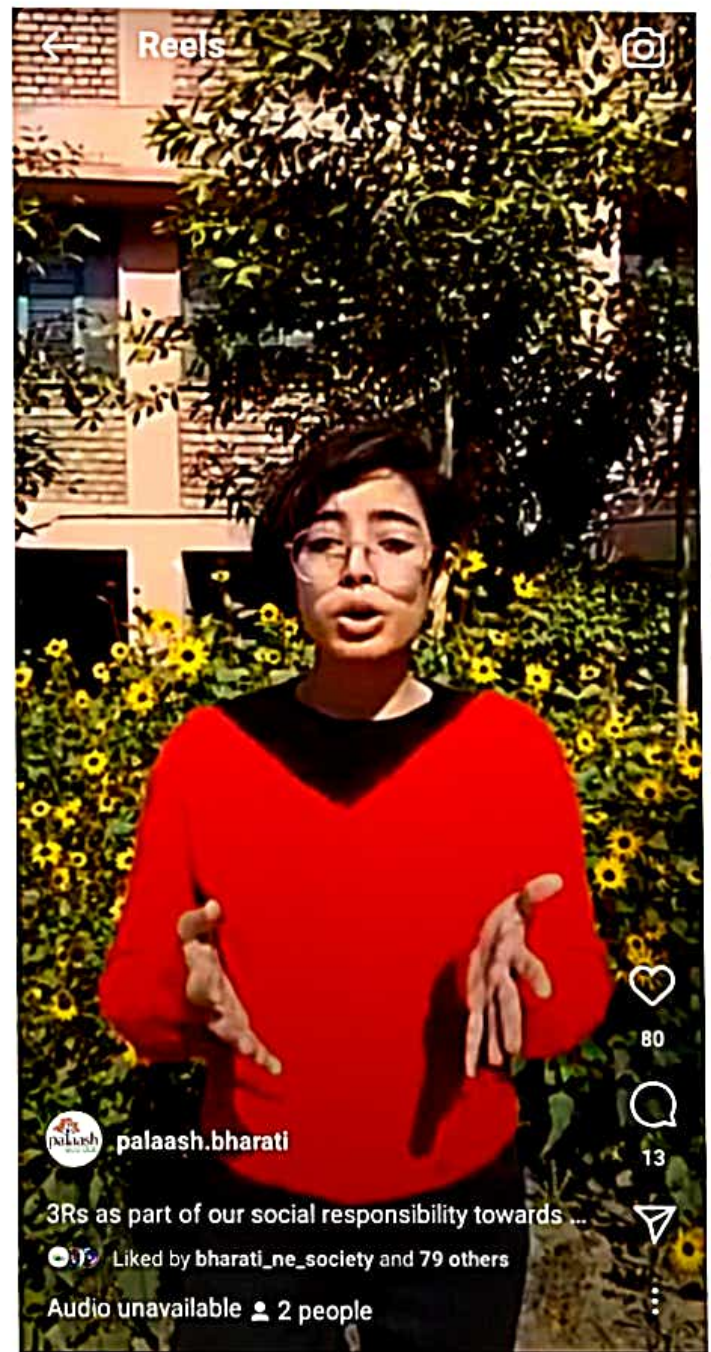

Event name: The 3 Rs
17th January, 2023

Palaash, the Eco Club of Bharati College, University of Delhi, in a bid to raise awareness regarding the 3 Rs—reduce, reuse, and recycle—conducted surveys in both online and offline mode on 17th of January, 2023. The survey not only aimed at generating awareness regarding the 3 Rs but also asked important questions regarding waste disposal, with an emphasis on e-waste.

The online survey witnessed 50+ responses, ranging from students, working professionals, graduates, et al. We received some very innovative answers regarding how we can manage our waste through various tiny steps, things to keep in mind while disposing of e-waste, and how to ensure minimum generation of waste, among others. On the other hand, the offline survey was held within the premises of our college, wherein our team approached more than 50 people, including the teachers, students, and non-teaching staff, with the same questionnaire. The team was completely impressed with the kind of eco-consciousness that the folks exhibited and their enthusiasm for maintaining a clean and green society.

The survey was a great success in terms of the results we received. The event highlighted the importance of unison when it comes to achieving collective goals like this for the society.

Activity Title: Cloth Donation Drive

CLOTH DONATION DRIVE

Palaash-The Eco Club of Bharati College organized a cloth donation drive in collaboration with Team Aashraya (Prashraya Welfare Foundation). The event took place on three consecutive days, i.e. 23rd, 24th and 25th of January 2023.

The students of Bharati College were invited to participate in this cause by donating clothes at the Donation Camp set up in the Central Lawn for the three days. The camp saw a huge number of willing donors.

Afterwards, volunteers from Palaash and Aashraya went on a drive to donate the collected clothes to the needy people on the streets. The drive came as a most welcome respite to them from the breezy and chilly January weather of Delhi.

Program: Celebration of Daan Utsav
Activity Title: IITD Visit

IITD VISIT

Palaash- The eco Club of Bharati College visited IIT Delhi, Govindpuri on 24/03/2023 to celebrate Daan Utsav. The invitation was sent by famous young environmentalist and founder of A Tale Of Human Kind, Aniket Gupta.

Students attended a seminar organised by Jamboori and got to know about overseas education. Later on, fun painting activities were organised by the Change Makers of IITD which were based on lesser known but impactful women. Also, various steps and initiatives were discussed to awaken the changemaker that lies within every step.

The students were very enthusiastic about the activities and knowledge that they got through this event.

College : Bharati College, University of Delhi

Date of Activity : 25 March 2023

Department/ Society : Palaash , The Eco Club

Program : Informal greet and meet

EVENT SUMMARY REPORT

Event name: Informal Greet and Meet

Palaash, the Eco Club of Bharati College, University of Delhi, organized an informal greet and meet in the serene environs of Sunder Nursery on the 25th of March, 2023, which witnessed the participation of eco-clubs from across the university, such as Aranya, the eco-club of Zakir Hussain College, and Prithvi, the eco-club of Sri Aurobindo College, among others.

The event commenced at 11 in the morning, with a strength of around 20 people. During the course of the event, the participants bonded over games like Truth or Dare and Never Have I Ever, food, unique experiences in DU, a jam session, and most importantly, their visions for their respective clubs. The event ended with a stroll exploring and admiring the beauty of the place, which is a major biodiversity hotspot in the capital.

The event received positive feedback from each of the participants for organizing this meet and greet event. The team at Palaash was proud to have pulled off an event like this with grace.
