

**FREAKONOMICS SOCIETY**  
**Annual Report Academic Year 2022-23**

**Convenor: Dr. Princy Jain**

**Vision**

Freakonomics society of the Department of Economics of Bharati College envisions a vibrant community of students driven by a passion for economics and its practical applications. We aim to create an engaging space where members can explore economic concepts, foster critical thinking, and develop skills to navigate the complexities of the modern world.

**Mission**

Our mission at Freakonomics is to provide an enriching experience for students interested in economics through a variety of activities and events. We seek to promote intellectual curiosity, analytical thinking, and professional development among our members.

**Objectives**

**Education:** Offer a diverse range of educational opportunities, including seminars, workshops, and interactive sessions, to deepen members' understanding of economic theory and its real-world implications.

**Engagement:** Organize fun and interactive activities such as quizzes, case-studies, games, and competitions to foster camaraderie among members and reinforce learning in a relaxed setting.

**Career Development:** Offer career-focused activities, including networking sessions, resume workshops, and guest speaker events, to support members in their professional aspirations and enhance their employability.

**Activities**

**Seminars and Workshops:** Regular sessions featuring guest speakers and experts covering a wide range of economic topics and practical skills.

**Fun Activities:** Interactive quizzes, case-studies, movie screening, field visits, games, and other engaging activities to make learning economics enjoyable and accessible to all.

**Policy Analysis Sessions:** Conduct in-depth analysis and discussions on economic policies, providing members with insights into current affairs and encouraging critical evaluation of policy decisions.

**Competitions:** Host debates, declamation competitions, and contests such as poster or logo making to hone members' communication skills, creativity, and ability to articulate economic ideas effectively.

**Career Development Events:** Networking opportunities, career panels, competitive exam preparation and industry talks to help members explore career paths in economics and related fields.

**Outcomes**

Enhanced understanding of economic principles and their practical applications through engaging and interactive activities.

Development of critical thinking, communication, and problem-solving skills through participation in debates, competitions, and policy analysis.

Networking opportunities and career development support to empower members to pursue their professional goals in the field of economics.

## Events (Academic Year 2022-23)

### April 2023

✿ The society conducted a **seminar** for supporting career progression of students on *CAT Exam preparation* by an expert team from Career Launcher on the 19<sup>th</sup> of April 2023.
