Website : [@palaash.bharati](#)

Linkedin Profile : [View](#)

Vision : The vision of Palaash is to empower students to evolve as environmentally responsible leaders by fostering awareness, encouraging the adoption of sustainable practices, and inspiring collective action for the preservation of the environment.

Mission : The mission of the Eco Club is to disseminate environmental awareness and to educate individuals on significant ecological concerns. By utilizing both online platforms and community-based initiatives, the club seeks to extend its reach, cultivate informed perspectives, and promote meaningful contributions toward environmental sustainability.

Objectives : The objectives of Palaash are to actively engage students in environmental action, to promote sustainability within the campus community, and to foster a culture that values, respects, and safeguards nature.

Activites : The club undertakes various initiatives such as plantation drives, cleanliness campaigns, and seminars on critical environmental issues, thereby encouraging students to participate in collective efforts towards ecological preservation.

Outcomes : The activities of Palaash have resulted in increased environmental awareness, enhanced student and community engagement, improved waste management practices, and strengthened advocacy for sustainable development.

Type: Seminar

Level: Intra College

Duration: 1 days

Venue: theater room

Other Venue: no other venue

No Of Participants : 38

Coordinator : roopa johri

Description: Palaash - The Eco Club organized an impactful waste management awareness event aimed at promoting sustainable practices and responsible waste disposal among students and the wider community. The event featured engaging activities such as informative talks, waste segregation demonstrations, and interactive workshops on recycling and upcycling. Participants learned the importance of reducing, reusing, and recycling (the 3Rs), and were encouraged to adopt eco-friendly habits in their daily lives. The event concluded with a cleanliness drive and a pledge to contribute toward a cleaner, greener planet. The initiative successfully fostered environmental consciousness and inspired attendees to become active agents of change

Coordinator : roopa johri

Description: Palaash - The Eco Club organized a heartwarming event blending environmental consciousness with cultural tradition. Students actively participated in a plantation drive, promoting green cover and ecological responsibility. In a unique gesture symbolizing the bond between humans and nature, students also celebrated 'Rakhi with Tree' by tying rakhis to trees, expressing love and a promise to protect them. The event not only instilled a sense of environmental stewardship but also creatively merged sustainability with tradition, leaving a lasting impact on young minds
